<p>agents' experience, criminals and suspicious individuals commonly frequent the streets late at night and during the early morning. The agents also knew that Valley Parkway is considered a hub for such persons as they have made numerous apprehensions in the past on Valley Parkway and the surrounding area.</p> <p>The agents observed what appeared to be a male subject on a bicycle traveling westbound on Valley, toward the agents' vehicle. As he drew nearer to the agents, the bicyclist glanced at them and made a quick and deliberate maneuver through a desolate parking lot it what appeared to be evasion in the agents' experience. The maneuver actually made the route of travel for the subject longer and not as direct. The agents have seen this type of sudden maneuver in persons that want to create distance from law enforcement and possible be looking for an escape route either by going down different streets or ditching the bicycle and attempting to abscond on foot. The agents conducted a turn to catch up the cyclist in order to further observe the subject. As they attempted to catch up to the subject, they noticed the he made several quick nervous glances at their vehicle in what appeared as an overt attempt to keep an eye on the agents. This is common in persons that become nervous in the presence of law enforcement as they want to keep them in their sights. Both Agent (b) (6), (b) (7)(C) have seen this type of nervous behavior before in illegal aliens and other types of suspects.</p> <p>Agent (b) (6), (b) (7)(C) positioned his vehicle directly parallel to the cyclist, facing eastbound on Valley Parkway. The subject stopped his bicycle on his own and looked over at Agent (b) (6), (b) (7)(C) with a look of confusion. Agent (b) (6), (b) (7)(C) again identified himself in English and asked the subject how he was doing. The subject, later identified as (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) replied to Agent (b) (6), (b) (7)(C) in the Spanish language that he did not understand much English.</p> <p>Agent (b) (6), (b) (7)(C) again identified himself but in Spanish and conducted an immigration inspection on (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) freely claimed that he was a citizen of Mexico but he informed Agent (b) (6), (b) (7)(C) that he was in the process of acquiring permanent resident status through his brother, who is a United States citizen. <p>At approximately 4:41pm, the agents observed a silver Honda sedan bearing CA (b) (6), (b) (7)(C). The sedan had significant visible damage to the front bumper and the rear passenger door which is common in vehicles that have been recently salvaged. This caught Agent (b) (6), (b) (7)(C)'s eye as alien smugglers in the Murrieta AOR are known to use cheaper salvaged vehicles to transport their human cargo because they run the risk of having the vehicle seized if they are apprehended. The sedan appeared to have three visible occupants. As the sedan approached the agents in their stationary location, both Agent (b) (6), (b) (7)(C) observed the front female passenger look over at their marked ride and (b) (6), (b) (7)(C) her seat and stare straight ahead as if she had suddenly become frozen with fear. This abrupt nervous reaction is common among illegal aliens and both agents have seen this behavior in past alien smuggling events.</p> <p>The agents noticed that as the sedan stopped at the stop sign at the intersection, the driver hesitated when it was obvious that he had the right of way. This type of nervous driving behavior is common among smugglers and illegal aliens as they are more cautious not to break any traffic laws so that they can avoid detection and evade arrest. The agents found this suspicious as the majority of the regular Temecula commuting public is aware that the Border Patrol does not enforce traffic laws and they just complete a normal stop at stop signs. It is also common among nervous drivers as they are indecisive about which route to take in the presence of law enforcement. Both of the agents have seen this type of suspicious driving in illegal aliens and smuggling events in the past.</p> <p>The agents decided to pull out onto Northbound Washington in order to follow the sedan and further observe it and its occupants. The agents were approximately two vehicles behind the suspect sedan. As the sedan continued north, the agents noticed an overt increase in speed as the sedan opened a significant traffic gap between it and the two vehicles behind it. The agents observed that the sedan was tailgating the vehicle in front of it, another nervous driving behavior seen in persons attempting to create as much distance from law enforcement as possible. The two vehicles in between the suspect sedan and the agents' vehicle merged over, allowing the agents to get directly behind the sedan. At this time, Agent (b) (6), (b) (7)(C) observed the driver make several quick glances into his driver's side mirror, a common nervous behavior from persons wanting to keep an eye on nearby law enforcement. The agents decided to conduct a vehicle stop on the sedan utilizing their emergency lights and siren. The vehicle yielded without incident on Northbound Washington, just north of Keller Road.</p> <p>Agent (b) (6), (b) (7)(C) approached the vehicle and identified himself as a United States Border Patrol Agent and conducted an immigration inspection on each of the three subjects. The driver and front passenger claimed to be citizens of Mexico but both presented valid Employment Authorization Cards. <p>the agents in their marked sedan, he quickly averted his eyes in what the agents have seen in the past as an overt nervous reaction to law enforcement. The driver of the truck finally decided to enter the intersection, attempting to make a left turn onto Benton Road. The driver was not aware of the other vehicle that was stopped on eastbound Benton and nearly collided with it, forcing both vehicles to abruptly apply their brakes. This type of carelessness behind the wheel is common among alien smugglers and other persons that panic in the presence of law enforcement. The agents also knew that (b) (7)(E)</p> <p>(b) (7)(E)</p> <p>(b) (7)(E) The agents decided to follow the truck to further observe it and the nervous driver.</p> <p>As the truck cleared the intersection, the agents observed what appeared to be two male occupants inside it. Agent (b) (6), (b) (7)(C) turned right onto Benton Road and got directly behind the truck. This particular section of Benton Road has three westbound lanes. The truck was traveling in the inside lane and the agents also got into that lane. Agent (b) (6), (b) (7)(C) immediately observed that (b) (7)(E)</p> <p>(b) (7)(E)</p> <p>(b) (7)(E) Agent (b) (6), (b) (7)(C) also observed that (b) (7)(E)</p> <p>(b) (7)(E)</p> <p>Agent (b) (6), (b) (7)(C) called the Murrieta Dispatch via cell phone as radio communications were poor. Agent (b) (6), (b) (7)(C) ran the vehicle's license plate for registration data and other information. The vehicle was registered out of the city of Perris, California, (b) (7)(E)</p> <p>(b) (7)(E) Both agents have arrested illegal aliens and smugglers from vehicles registered to the city of Perris. At this time, the truck merged into the middle westbound lane, forgetting to turn off his right turn signal. This is a common nervous driving behavior in persons that are more fixated on law enforcement as the driver becomes oblivious to surrounding sights and sounds. Both of the agents have seen nervous driving behavior like this in the past. The truck traveled in the middle lane at the designated speed limit but then suddenly made an abrupt right merge and then turn onto Northbound Maddalena Avenue. The agents suspected this maneuver was to create distance from their vehicle and attempt to stop in a residential neighborhood so that the occupants could bail out on foot. The agents have seen this exact type of maneuver in past apprehensions of alien smugglers and illegal aliens. The agents were able to safely turn right onto Maddalena and conducted a vehicle stop on the truck with their emergency lights and siren.</p> <p>The vehicle yielded without incident. Agent (b) (6), (b) (7)(C) approached the truck and identified himself as a United States Border Patrol Agent. (b) (7)(E) Both agents have apprehended numerous amounts of illegal aliens and alien smugglers utilizing northbound I-15 for this purpose. The agents also knew that through the communities of Murrieta and Temecula, heavy traffic patterns travel on northbound I-15 with daily commuters. (b) (7)(E)		
(b) (7)(E)		
<p>The agents parked their vehicle perpendicular to traffic so they could observe traffic as it approached and passed their location. At approximately 4:38pm, the agents observed a large, older model truck approach their stationary location. The truck appeared to have two visible male occupants. As the truck approached, the driver decreased his speed drastically and began driving slower than the flow of traffic that it was originally traveling with. The agents have seen this type of behavior in alien smugglers that become nervous when they see the presence of a marked Border Patrol vehicle that is watching traffic. The driver will sometimes have an "adrenaline dump", causing his body to create involuntary movements such as applying brakes to a vehicle. This is similar to a driver in a speeding car that approaches a highway traffic officer. The agents decided to catch up to the truck to further examine it and it's occupants.</p> <p>The agents were able to successfully keep the truck visible as it made a hasty exit on California Oaks Road in the city of Murrieta. The agents have seen these types of sudden exits from I-15 with vehicles where smugglers and illegal aliens were attempting to create distance from following law enforcement in order to avoid being inspected. Agents (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) were able to safely exit approximately four vehicles behind the truck. The truck then made a right turn onto California Oaks Road by rolling through a red traffic light, instead of coming to a safe and complete stop. The agents have seen evasive maneuvers such as this in the past from alien and narcotics smugglers. Agents (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) were able to also make a right turn onto California Oaks. The Agents no longer could observe the truck, however they believed the truck, went into the Albertson's Shopping Center. This shopping center is located near the intersection of California Oaks Road and Cal Oaks Plaza. Agents (b) (6), (b) (7)(C) then made another right into the Albertson's Shopping Center.</p> <p>The agents were correct as the truck was driving through the parking lot of the Albertson's grocery store. The agents got directly behind the truck as it suddenly came to a complete stop in front of the store. The passenger jumped out of the truck and ran into the store in an attempt to evade the agents. Agents (b) (6), (b) (7)(C) pursued the suspect into the store. The suspect ran past several families and down several narrow aisles, in complete disregard for shoppers, many of them elderly and shopping with children. Agent (b) (6), (b) (7)(C) yelled out several commands to stop in both English and Spanish, however the suspect continued to run around people and overtly use them as barriers to create distance from Agent (b) (6), (b) (7)(C)</p> <p>Both agents were able to catch up to the suspect as they never lost sight of him and retained a complete physical and clothing description of the suspect. Agent (b) (6), (b) (7)(C) detained the suspect and identified himself. Agent (b) (6), (b) (7)(C) conducted an immigration inspection on the subject, later identified as (b) (6), (b) (7)(C) freely admitted that</p>

NARRATIVE: ----- On March 3, 2012 at approximately 5:25 a.m., Border Patrol Agents (b) (6), (b) (7)(C) were working roving patrol on CA Interstate 5 south, vicinity Vista Way. The Agents noticed the 1996 Honda Accord (CA (b) (6), (b) (7)(C)) with one individual occupying it. Agents (b) (6), (b) (7)(C) and (b) (6), (b) (7)(C) noticed the driver continuously looking into his rearview mirror and seemed to be more concerned about the Agent's marked service vehicle than what was in front of him. Agent (b) (6), (b) (7)(C) pulled up next to the vehicle, on the passenger side, in an attempt to get a better view of the vehicle's occupant. Agent (b) (6), (b) (7)(C) looked at the occupant of the vehicle but the driver avoided eye contact with the Agents. The driver continued to look straight ahead while maintaining a rigid posture. Agent (b) (6), (b) (7)(C) then pulled next to the vehicle on the driver's side and noticed that the driver of the vehicle would not make eye contact with the Agents. While attempting to pull behind the vehicle again to conduct checks on the license plate, the subject's vehicle began to decelerate to an unsafe highway speed before the Agents service vehicle could pull behind it. These are common behaviors that Agent (b) (6), (b) (7)(C) has observed throughout his career while interdicting illegal aliens

The suspect's vehicle pulled off I-5 south at Cassidy Rd. Upon making contact with the vehicle, Agents (b) (6), (b) (7)(C) identified themselves as United States Border Patrol Agents to the driver, later identified as (b) (6), (b) (7)(C). <p>(b) (7)(E)</p> <p>ACTIVITY:</p> <p>On March 3, 2012, (b) (7)(E) I, Border Patrol Agent (b) (6), (b) (7)(C) attached to the (b) (7)(E) unit, was assigned roving patrol duties in the San Clemente and Dana Point Area.</p> <p>OBSERVATION:</p> <p>At approximately 12:45 a.m., while stopped at the intersection of Del Prado Ave. and Golden Lantern in Dana Point, California I notice a white Volvo S80 T6 four door sedan, bearing California plate (b) (6), (b) (7)(C) pull up next to me in the dedicate left turn lane. I identified a male Caucasian driver, later identified as (b) (6), (b) (7)(C), with a female Caucasian, later identified as (b) (6), (b) (7)(C) arguing verbally. I then noticed that the vehicle rocked violently left and right and that the vehicle would make sudden stop-and-go maneuvers while the intersection traffic lights were still red. When the traffic light turned green the vehicle turned left then turned right into the Lantern Bay Village Shopping Center. I continued onto Del Prado Ave. and entered into the Shopping Center via the west entrance. As the white Volvo vehicle passed the front entrance of the Ralphs grocery store, the vehicle stopped at the exit onto Del Prado Ave. I then notice that (b) (6), (b) (7)(C) got out of the vehicle and put his hands up in the air in an aggressive motion, while yelling obscenities toward (b) (6), (b) (7)(C) who remained in the vehicle. (b) (6), (b) (7)(C) then entered the vehicle and speed off south bound on Del Prado Ave. I followed so that I could perform a pull over for the interest of public safety based off of (b) (6), (b) (7)(C) erratic driving behavior. I caught up to the vehicle pulling into the Jack in the Box parking lot, located near the intersection of Del Obispo St. and Pacific Coast Highway (PCH). I then notice (b) (6), (b) (7)(C) exiting the vehicle while in motion and that the vehicle collided into a park black Honda Accord. I immediately initiated my emergency lights and contacted (b) (7)(E) dispatch and notified them of the situation and request that Orange County Sheriffs report to the scene. I exited the vehicle and identified myself as a U.S. Border Patrol Agent to (b) (6), (b) (7)(C). I ordered (b) (6), (b) (7)(C) to get down on the ground. I noticed that (b) (6), (b) (7)(C) was wearing a white crew neck t-shirt and Blue Jeans. However, (b) (6), (b) (7)(C) shirt had small blood markings around the neck line. After seeing this I again ordered him to lie on the ground, to which he complied and laid on his back. As I went into my vehicle to get my handcuffs I heard (b) (6), (b) (7)(C) while getting out of the vehicle yell out that the vehicle was stolen, I then turned to see (b) (6), (b) (7)(C) was absconding from the scene on foot heading to a small apartment complex between the Chevron gas station and the Holiday Inn. I contacted (b) (7)(E) Dispatch of the (b) (6), (b) (7)(C) absconding from the scene. I then motioned toward (b) (6), (b) (7)(C) who appeared distraught and had blood around her mouth, to sit down. I approached the vehicle and turned off the ignition and took the vehicle keys. At this time (b) (6), (b) (7)(C) was on her cell phone talking to her parents. At approximately 1:00 a.m. several Orange County marked unit arrived and took over the scene.</p> <p>INVESTGATIONS:</p> <p>Deputy (b) (6), (b) (7)(C) was assigned to the case. The Agent noticed that the subject seemed very nervous all of a sudden seemingly when he became aware of the presence of a marked Department vehicle. The Agent continued to follow the vehicle to observe the driver's mannerisms. The Agent positioned his vehicle behind the vehicle to observe the reaction of the driver. Agent (b) (6), (b) (7)(C) noticed that the vehicle repeatedly swerved into a different lane. Agent (b) (6), (b) (7)(C) slowed and observed as the vehicle initiated an exit from lane three of the Interstate 5 northbound to enter State Highway 78. After entering State Highway 78, the vehicle positioned behind another vehicle in lane three and dropped its speed noticeably. At this time, Agent (b) (6), (b) (7)(C) activated the emergency equipment on his marked Department vehicle in an attempt to affect a traffic stop. The vehicle yielded just before Emerald exit on State Highway 78 eastbound.</p>

Agents (b) (6), (b) (7)(C) were in a fully marked department vehicle and in full rough duty uniform. While observing traffic in the northbound lanes of CA I-5, Agents (b) (6), (b) (7)(C) noticed a late model white ford truck pass their position. The Agents noticed that as the vehicle passed them, the driver, (later identified as (b) (6), (b) (7)(C)) looked in their direction and appeared to notice the marked department vehicle. After noticing the vehicle, (b) (6), (b) (7)(C) then snapped his head straight ahead and abruptly changed his driving posture from a relaxed position to an extremely rigid posture. Agents also noticed what appeared to be a back seat passenger duck down in an apparent attempt to conceal themselves while passing the Agents. Agents (b) (6), (b) (7)(C) followed the vehicle for further investigation and to run the vehicle's license plate through DHS databases. <p>times. This is common when a driver is continuo his rearview mirrors, overly concerned with what is behind him and not what is in front of him. (b) (6), (b) (7)(C) also significantly changed his rate of travel to a much slower, and ultimately unsafe speed. The highway traffic was extremely light and there was no reason for (b) (6), (b) (7)(C) to be traveling so slowly, well below highway speed. At this point, based on the odd and sudden change in (b) (6), (b) (7)(C) driving behavior with the presence of their marked department vehicle, Agents (b) (6), (b) (7)(C) performed a vehicle stop.</p> <p>Agent (b) (6), (b) (7)(C) approached the vehicle, identified himself as a Border Patrol Agent and questioned the driver, (b) (6), (b) (7)(C) as to his citizenship and nationality. (b) (6), (b) (7)(C) stated that he was a citizen of Mexico. Agent (b) (6), (b) (7)(C) then asked (b) (6), (b) (7)(C) if he had any immigration documents to which (b) (6), (b) (7)(C) replied "no". Agent (b) (6), (b) (7)(C) then asked (b) (6), (b) (7)(C) if he was present in the United States illegally to which (b) (6), (b) (7)(C) replied "yes". Agent (b) (6), (b) (7)(C) placed (b) (6), (b) (7)(C) in custody for being present in the United States illegally and he was subsequently transported to the San Clemente Border Patrol Station for further processing. Agents released the vehicle to a family member in the vehicle with (b) (6), (b) (7)(C).</p> <p>At the station, (b) (6), (b) (7)(C) photo and fingerprints were entered into the processing system and revealed no criminal or immigration history.</p> <p>(b) (6), (b) (7)(C) has no outstanding Wants or Warrants.</p> <p>At the station, (b) (6), (b) (7)(C) was again questioned as to his citizenship. (b) (6), (b) (7)(C) admitted that he entered into the United States illegally on or about October 1st, 2003. (b) (6), (b) (7)(C) stated that he entered the United States illegally about 3 miles east of the Tecate, CA Port of Entry. (b) (6), (b) (7)(C) stated that he jumped the international boundary fence and walked through the mountains east of San Diego, CA.</p> <p>At the San Clemente Border Patrol Station, (b) (6), (b) (7)(C) was assigned Alien Registration Number A# (b) (6), (b) (7)(C)</p> <p>(b) (6), (b) (7)(C) ad FBI# (b) (7)(E) assigned to him from a previous arrest that did not result in a c n.</p> <p>(b) (6), (b) (7)(C) requested an immigration hearing and determination by an Immigration Judge.</p> <p>(b) (6), (b) (7)(C) was given a list of free legal services, as per DHS policy, by Agent (b) (6), (b) (7)(C) and witnessed by Agent (b) (6), (b) (7)(C) on March 15, 2012 at 3:00 a.m.</p> <p>(b) (6), (b) (7)(C) was given an opportunity to speak with the Mexican Consulate by Agent (b) (6), (b) (7)(C) and witnessed by Agent (b) (6), (b) (7)(C) on March 15, 2012 at 3:15 a.m.. <p>On March 19, 2012, at approximately 12:40a.m. during roving patrol operations on Interstate 5 northbound near Carlsbad, California, Border Patrol Agents (b) (6), (b) (7)(C) encountered a dark blue Nissan Altima, bearing California plate (b) (6), (b) (7)(C). The Agents noticed the vehicle traveling northbound on Interstate 5 near Leucadia Boulevard. Once the subject noticed the marked Border Patrol sedan, he began to make multiple lane changes in an attempt to avoid the detection of the marked Border Patrol sedan. The vehicle then slowed to an unsafe speed on the highway. (b) (7)(E)</p> <p>(b) (7)(E)</p> <p>(b) (7)(E) This behavior is consistent with the driving behavior of alien smugglers. Alien smugglers drive in this erratic manner in order to identify if any Border Patrol Agents or other law enforcement personnel are surveilling their vehicle. They use this tactic to notice if any marked police units or plain-clothed units are following them, as these units will also need to drive in the same unnecessary, strange manner if they are to stay behind the suspect vehicle. On a daily basis, Agents of the San Clemente Border Patrol station encounter alien and drug smuggling loads on this highway. The Agents initiated a vehicle stop for an immigration inspection as they approached Tamarack Avenue. The vehicle exited Tamarack Avenue and yielded at the Unocal 76 Gas Station on Tamarack Avenue.</p> <p>The Agents approached the vehicle and identified themselves as United States Border Patrol Agents to the driver of the Nissan Altima, later identified as (b) (6), (b) (7)(C) and asked of what country he is a citizen. (b) (6), (b) (7)(C) stated "I am a Naturalized Citizen of The United States of America." When the Agents asked when and where he naturalized, (b) (6), (b) (7)(C) stated, "It was so long ago." When the Agents asked (b) (6), (b) (7)(C) about the Naturalization process, (b) (6), (b) (7)(C) was unable to recall anything he did regarding the Naturalization process. The Agents asked (b) (6), (b) (7)(C) if he was in possession on any identification (driver's license, social security card, etc.). (b) (6), (b) (7)(C) stated, "I don't have any identification. Not even a driver's license." The Agents asked (b) (6), (b) (7)(C) if he was in possession of a wallet. (b) (6), (b) (7)(C) stated "Yes." The Agents then asked (b) (6), (b) (7)(C) for consent to search his wallet. (b) (6), (b) (7)(C) stated, "Sure, no problem." A search of (b) (6), (b) (7)(C) wallet did not produce any immigration documents, but did produce a Mexican driver's license and a Matricula Consular card both bearing (b) (6), (b) (7)(C) full name and date of birth. The Agents requested dispatch to perform an immigration check with (b) (6), (b) (7)(C)'s full name and date of birth. Dispatch was unable to find any record of anyone matching (b) (6), (b) (7)(C) full name and date of birth having any type of immigration status. Once the Agents presented (b) (6), (b) (7)(C) with the results of the record checks, (b) (6), (b) (7)(C) stated, "Well, I guess you already know." The Agents then again asked (b) (6), (b) (7)(C) if he was illegally present within the United States. (b) (6), (b) (7)(C) stated, "Yes." (b) (6), (b) (7)(C) was placed under arrest and transported to the San Clemente Border Patrol station for processing.</p> <p>At the station, the driver's identity was confirmed as (b) (6), (b) (7)(C) again admitted to being a Mexican citizen in the United States without any immigration documents. (b) (6), (b) (7)(C) was enrolled in the DHS processing databases.</p> <p>Record checks on (b) (6), (b) (7)(C) yielded one prior immigration related arrest and no criminal related arrests.</p>

<p>(b) (7)(E) This behavior is consistent with the driving behavior of alien smugglers. Alien smugglers drive in this erratic manner in order to identify if any Border Patrol Agents or other law enforcement personnel are surveilling their vehicle. They use this tactic to notice if any marked police units or plain-clothed units are following them, as these units will also need to drive in the same unnecessary, strange manner if they are to stay behind the suspect vehicle. On a daily basis, Agents of the San Clemente Border Patrol station encounter alien and drug smuggling loads on this highway. The Agents initiated a vehicle stop for an immigration inspection as they approached Santa Fe Drive. The vehicle yielded at the view point just north of Manchester Avenue.</p> <p>The Agents approached the vehicle and identified themselves as United States Border Patrol Agents to the occupants of the Pontiac Montana. The Agents asked one of the passengers, later identified as (b) (6), (b) (7)(C) what country he is a citizen of. (b) (6), (b) (7)(C) stated "Mexico." The Agents then asked (b) (6), (b) (7)(C) if he was illegally present within the United States. (b) (6), (b) (7)(C) stated, "No. I have a Visa." (b) (6), (b) (7)(C) provided his B1/B2 Visa. The rear of the Pontiac was full of cleaning equipment. The other occupants of the vehicle stated that they all had just finished working in Oceanside, California. The Agents asked (b) (6), (b) (7)(C) if he was working. (b) (6), (b) (7)(C) stated "No." The shoes that (b) (6), (b) (7)(C) was wearing had wax on them. When the Agents asked (b) (6), (b) (7)(C) why his shoes were covered with wax (b) (6), (b) (7)(C) stated "Well, it was my first day." At approximately 1:30 a.m. (b) (6), (b) (7)(C) was advised that he was in violation of his immigration status for working in the United States. (b) (6), (b) (7)(C) was placed under arrest and transported to the San Clemente Border Patrol Station for processing.</p> <p>At the station, the driver's identity was confirmed as (b) (6), (b) (7)(C) again admitted to being a Mexican citizen in the United States without any immigration documents. (b) (6), (b) (7)(C) fingerprints and biographical information were entered into several DHS Databases for the purpose of identity and possible criminal or immigration history.</p> <p>Record checks on (b) (6), (b) (7)(C) yielded no prior immigration related arrest and no criminal related arrests.</p> <p>(b) (6), (b) (7)(C) was advised of his rights to speak with the Mexican Consulate on March 26, 2012, 4:10a.m. by Agent (b) (6), (b) (7)(C) stated that he understood his rights and did not wish to speak with the Mexican consulate's office. This was witnessed by Agent (b) (6), (b) (7)(C)</p> <p>(b) (6), (b) (7)(C) B1/B2 Visa is being canceled with prejudice and sent to the San Ysidro, California Port of Entry for cancellation along with a form I-213 and I-275.</p> <p>(b) (6), (b) (7)(C) was given his rights per DHS policy on form I-826 in the Spanish Language. requested and was granted a voluntary return to Mexico.</p> <p>(b) (6), (b) (7)(C) was enrolled into the Alien Transfer Exit Program (ATEP).</p> <p>Vehicle Disposition:</p>
